

Mimi & Ary

Written by: Rashad Mirzayev

Publisher: MindStir Media (2025)

Hardcover: 72 pages

ISBN-13: 13: 9781966074847

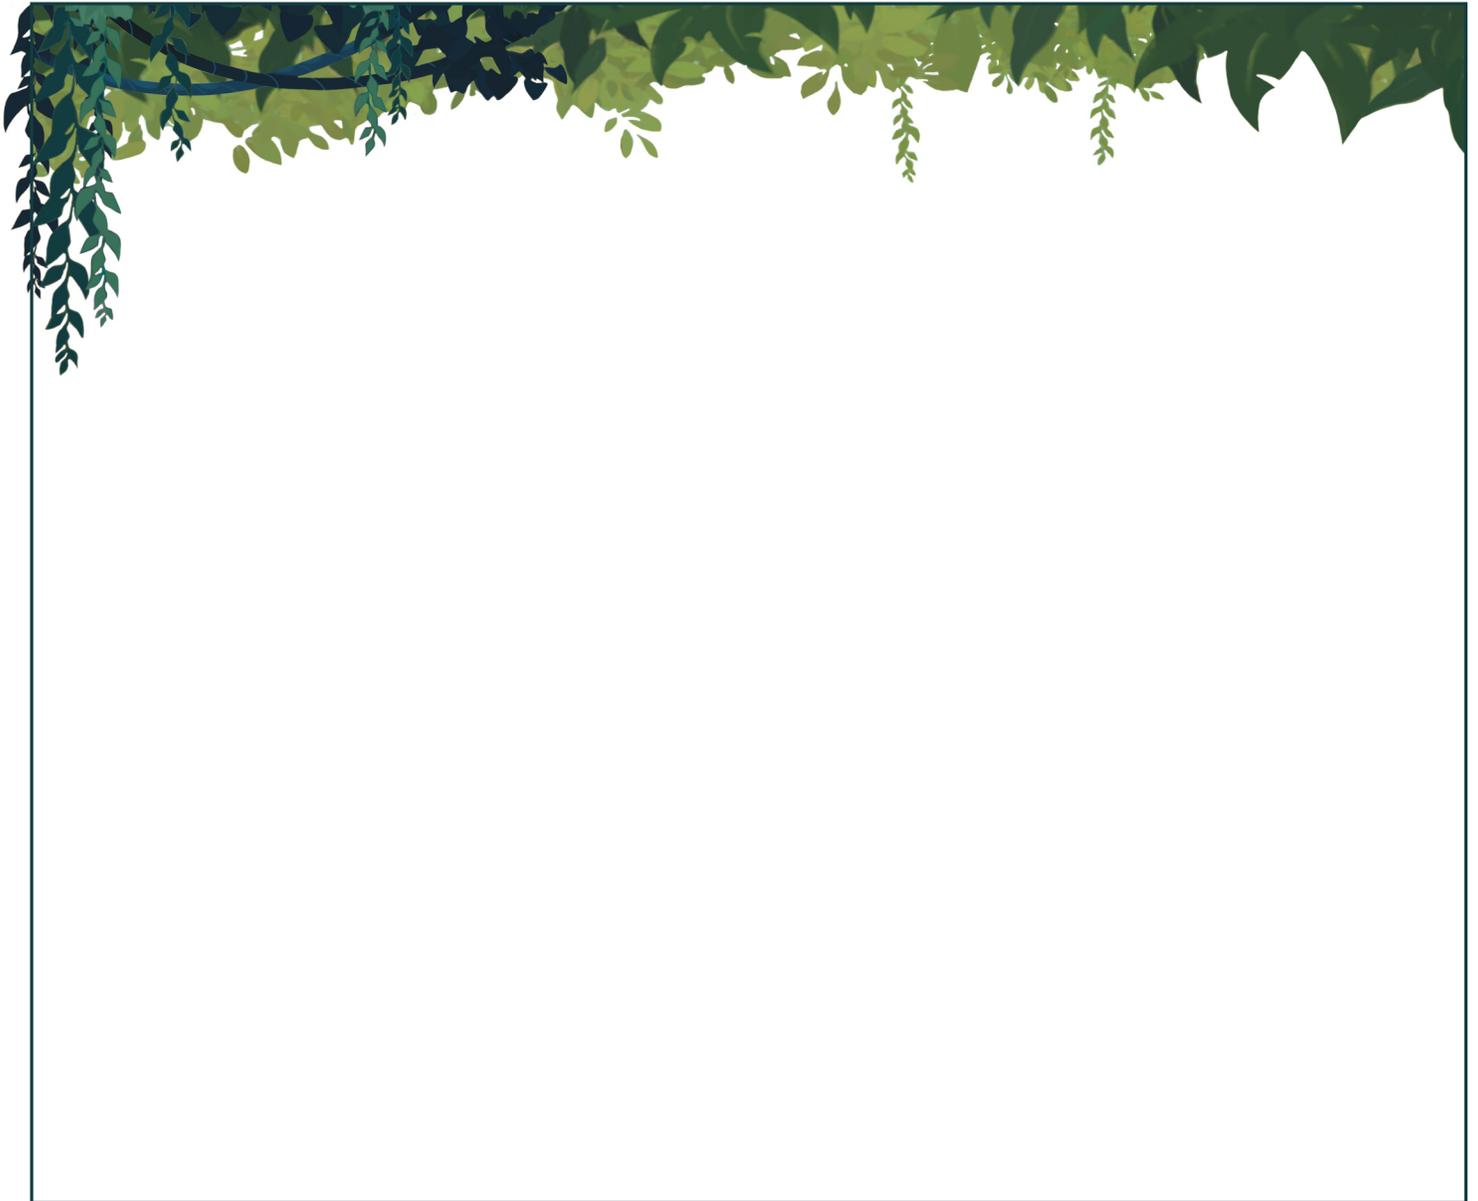

Design Your Animal Guide

"Ary was Mimi's wise, protective blue bird who taught her about fear, trust, awareness, and love. Now it's your turn to create your own special animal companion!"

Draw Your Animal Guide Here

Use colors, patterns, and special features to make them unique.

About Your Animal Guide

What is your animal guide's name? _____

What kind of animal are they? _____

What makes them special? (Colors, patterns, magical abilities) _____

The Wisdom They Share

What important life lesson would your animal guide teach? _____

What wise saying or advice would they give? _____

How would they help you on a difficult journey? _____

"Love is the one thing we're capable of perceiving
that transcends dimensions of time and space."

- Dr. Brand, Interstellar

Just like in Mimi & Ary's story, your animal guide
represents the love and wisdom that helps us grow!
